NEWS LETTER

FEBRUARY 2020

Welcome to the Roundabout News Letter

What's Going On...

Firstly welcome and thank you. Many of you completed satisfaction questionnaires last year and amongst the fantastic responses we received was the suggestion that the Club put out a newsletter. It seems that children aren't always great at sharing what they have done whilst at Roundabout...Who knew 😊.

Charitable Status

The Clubs successful transition to a Charitable Incorporated Organisation may trigger an Ofsted inspection. A fantastic opportunity to show how great our Club is. Please speak freely if you are approached by the inspector.

Role of Honour

Congratulations to all the children who made the January Role of Honour. The Roundabout Role of Honour recognises the outstanding contribution made by children attending the Club. Alex Craze, Eleonore Laborde, Elenor Jeays, Ethan Wood, Jason Nkansah, Jordan Nkansah, Mohammed Almuthaffar, Danyah Almuthaffar & Virginia Facchini

Exiting the Club...

Please ask a Playworker to open the door, hovering makes everyone feel uncomfortable.

Green Fingers

All of our Playworkers efforts would come to nothing if the children weren’t so fantastic in embracing all that is offered. Thank you to all our Club members for contributing so whole heartedly.
