

### Human Sundial record sheet

We are exploring why our shadow moves throughout the day.

I will be recording other changes I notice.

1. Equipment needed:	<ul style="list-style-type: none"><li>•</li><li>•</li><li>•</li><li>•</li><li>•</li></ul>
2. I predict the shadows will....	<hr/> <hr/>
3. What I did:  (draw a picture and label what you did to set the experiment up)	
4. Record your results (using a ruler/ tape measure)  My shadow was ----- cm at.....	9am  12noon  2pm  4pm  6pm
5. What I found out:	<hr/> <hr/> <hr/> <hr/>
