

Animals and pets

WALT: understand animals that we keep as pets.

A _____ is a type of animal that usually lives with people in a house.

Pets need lots of _____ and special care.

Dogs take lots of time and patience to train and look after. Dogs need lots of _____ and exercise.

Cats like to be stroked but you need to be _____ with them.

Guinea pigs usually live in a _____ outside. They need straw or hay to eat and also to sleep in.

Rabbits like being with other _____ so it's best to keep two together in the same hutch.

Horses are big animals so they need lots of _____ to rest and run around in.

My favourite domestic animal _____

Pet
gentle

rabbits

hutch

Love

space

walks
