

## ONLINE LITERACY PLAN W/C 20/7

### SCHOOL

Last week you created your own stanza from your new expanded noun phrases. This week you are going to create a poster with an illustration to accompany your stanza. You could create several smaller illustrations around your stanza or just one larger illustration. Look back at the original story, what style of picture do you like? Read what the illustrator says about how he developed the style of the book. Plan your picture and then create your poster. Write your stanza from last week in your neatest handwriting. Children to sketch ideas. Move on to a final copy when ready and colour in. All writing should be in pen for the best effect.

### SCHOOL

Finish your poster from yesterday/ short burst write.

### HOME

Write your own short story about two unlikely friends like the lion and the mouse. For example the cat and the dog, the shark and the fish, the donkey and the rabbit.

### HOME

Illustrate your own story from yesterday. You can create your own style of picture or use a similar style to *The Lion Inside*. This is a link to the illustrator's website where he discusses how he came up with his ideas for how the characters should look.
