To promote the care and education of children who attend Round Hill Primary School

Monday 16th November 2020

Roundabout Foundation Bubble Suspended

Dear Parents,

One of Roundabout's Foundation Play Workers has recorded a positive Covid-19 test result over the weekend. The time frame means the Play Worker was not present in the setting, and therefore no children have to self-isolate, however, the Play Worker had been in the proximity of colleagues. Following the guidance provided by the NHS Track & Trace Service, those colleagues are now self-isolating for fourteen days. We have already spoken to parents of those children this will affect on the telephone today.

As a result, Roundabout are unable to maintain the required ratio to safely maintain the Foundation Bubble. The Bubble will be closed with an immediate effect until further notice.

As a Club we will endeavour to reopen the Foundation Bubble as soon as safely possible. This does not affect the wrap around care provided for all other year groups.

Yours faithfully,

Roundabout After School Club
