

Homework tasks: Autumn 2

This half term, we are going to give you control over what homework you complete! You will need to practise your spellings, timetables and My Maths tasks every week and make sure that you are reading regularly and completing your planner. You will also need to choose a **minimum of 3 tasks** to complete from the topic grid but the choice as to which tasks you complete is yours! Have a look to see how many dojos you can achieve for each task! When you have completed a task, take a photo and post it to your dojo portfolio. We will share what you have done in the last week of term.

<p>Literacy: Practise your spellings for this week. Remember, we learn best when we understand <i>how</i> to use each word so try to learn the spelling patterns. Read at least three times with an adult at home and write in your planner.</p> <p>Maths: Practise your times tables so that you are ready for your next test! Complete the My Maths tasks that you have been set by your teacher.</p>	<p>Create a postcard to your teacher from a country in Europe 1 dojo</p>	<p>Write and sing a song in a different European Language 1 dojo</p>	<p>Draw a flag of Europe and explain its meaning 1 dojo</p>
