WALT: To retrieve the answers from the text.

Thursday

Today we are focusing
on retrieving.

What does this mean?

Retrieve

Retrieving information from the text means finding the information in the text.

You have five minutes to answer the retrieval questions.
You have five minutes to see how many you can answer.
Start at extra mild and the hardest question is EXTRA HOT.

When did the lorry driver swerve and why?

Where does Max get hit by the bike?

How did Max find his way home?

What happens to Max's speech?

What didn't Max remember?

EXTENSION

He was halfway across when he suddenly realized that the lorry hadn't slowed up at all and was almost on top of him blinding him with its brilliant lights, deafening him with its thunderous roar.

Imagine you are Max. Draw what you would see.
