

Round Hill Bulletin 11: 19th April 2021

The Round Hill Bulletin is designed to help disseminate important information in between monthly Newsletters.

A copy is on the [School Website](#).

	Whole School Information
Welcome to the Summer Term	A big welcome back to everyone following the Easter holidays. I hope everyone has had a restful break. We are looking forward to having all children back at school tomorrow, Tuesday 20 th April 2021.
Reminder of School Start Times	Please make sure you read the letter that was emailed to all parents on 1 st April 2021 titled School Gates Opening after Easter . Please help us to ensure your child arrives at school at the correct time to allow us to do some early morning group work with some children from 8.30 a.m. to 8.50 a.m.
Keeping Children Off School if Unwell	<p>Please continue to remain extra vigilant if your child is unwell in any way. As communicated to you prior to Easter, please help us to minimise the spread of any illnesses in school by keeping your child off school if they are unwell. Now that testing is increasingly available I would urge you not to hesitate, if your child is displaying any Covid-19 symptoms, to get a PCR test.</p> <p>We appreciate that it is very difficult to tell whether your child may have a cold or a symptom of Covid-19 and therefore we ask that you err on the side of caution if your child is unwell. Please complete the Absence Form on the school website for each day of absence to keep us informed of the reason for absence. A reminder that if your child does have any Covid-19 symptoms then they will need to have negative result from a Covid-19 PCR Test before they are able to return to school.</p>
School Diary Dates	<p>A reminder that the dates for the summer term are on our school calendar. These dates are provisional but are unlikely to change. If we do have to change things at short notice this may be beyond our control and we will always explain why an event has been cancelled or postponed and give you as much notice as possible.</p> <p>Calendar view – for those of you who find the Online School Calendar difficult to view, the best way to view the calendar on a PC is to click on a the ‘Month’ view. This shows all of the dates in a list:</p>
