

Sixth Wife Wanted!

51-year-old King of England desperately seeking a dutiful and obedient wife!

Do you have what it takes to tame the fiery heart of our great monarch, King Henry VIII?

The woman in question must be beautiful (not only in portraits but also real life); intelligent (especially when it comes to dealing with the King's horrible temper); of noble birth (ideally); and, most importantly, able to give birth to a son.

In exchange for marriage, the King is willing to offer wealth, servants, a title, celebrity status and a comfortable (but perhaps short-lived) life at Hampton Court Palace.

Women who are particularly fond of their head need not apply.
