

## Arrays

WALT: use arrays to solve multiplication problems.

Write a multiplication sentence for each array.

		
---	---	---

$3 \times 4 = 12$ or $4 \times 3 = 12$		
--	--	--

		
--	--	--

--	--	--

Write two multiplication sentences for each array.

		
---	---	---

$3 \times 4 = 12$ $4 \times 3 = 12$		
--	--	--
