

The Way Back Home.

This week we are going to be watching a short film about a young boy who travels to space in his home-made rocket and makes an unlikely friend. Please see the link here to view the video (watch until 2 minutes 35 seconds).

There are a number of writing opportunities to complete, the children may choose which activities they want to complete in any order. Please see the corresponding resources to support the children with these activities. Don't forget to share your amazing work on Class Dojo!

Task	Completed ✓	How do you think it went? 😊 😐 😞
1. Look at the photographs carefully (see corresponding resource). Can you write a sentence about each picture? Don't forget to sound out words to help you spell accurately and remember your capital letters and full stops!		
2. Imagine you have created your own rocket to travel into outer space just like the boy in the story. Can you write a list of 10 things you would take with you?		
3. Imagine you are writing to your new friend the alien. Can you tell him all about yourself, your family and what life is like on planet Earth? Don't forget to use capital letters and full stops!		
4. Look at the set of instructions for making Star Biscuits. Can you find any of the features of this type of writing? E.g. Lists, numbered steps, bossy verbs, conjunctions, etc. Then have a go at following the instructions carefully and making these delicious treats!		
5. Can you design your own spaceship and label the important features? Can you use recyclable materials to build it?
