

# The Way Back Home.

This week we are going to be watching a short film about a young boy who travels to space in his home-made rocket and makes an unlikely friend. Please see the link here to view the video (watch until 2 minutes 35 seconds).

There are a number of writing opportunities to complete, the children may choose which activities they want to complete in any order. Please see the corresponding resources to support the children with these activities. Don't forget to share your amazing work on Class Dojo!

Task	Completed ✓	How do you think it went?  😊 😐 😞
1. Imagine you have travelled to the moon like the boy in the story. Can you write a letter back home describing what you can see? What does it feel like to have zero gravity? Who have you met on your travels? Don't forget to use interesting adjectives to describe and use correct punctuation!		
2. Can you write a list of 10 things you would take with you in your space rocket? What would you need to survive a day on the moon? What could you look for/do when you get there?		
3. In the story, the boy is very kind and helps the alien by fixing his broken spaceship. How have you been kind to someone in your house this week? Can you use a conjunction such as 'and', 'so' or 'because'?		
4. Look at the set of instructions for making Star Biscuits. Can you find any of the features of this type of writing? E.g. Lists, numbered steps, bossy verbs, conjunctions, etc. Then have a go at following the instructions carefully and making these delicious treats!		
5. Can you design your own spaceship and label the important features? Can you use recyclable materials to build it?
