

Round Hill Instrument Tuition

Music at Round Hill

Children learn music in all years throughout the school. In Years 3 and 4 they get the opportunity to learn the ukulele and recorder with their class.

Once children get to Year 4, they are also able to learn an instrument of their choice.

Unfortunately, due to Covid a lot of the musical experiences, such as a choir and orchestra, have not been able to happen. Orchestra has already re-started and we hope to re-start choir very soon.

Once the children have been learning their instrument for a year, they are able to join the orchestra.

How it Works

- Children have their lessons during the normal school day. This means they will miss some of their lesson in class in either the morning or afternoon.
- Children and their teachers are told the time and place of their lesson at the start of the year. They will be expected to be on time to their lesson, and have brought their instrument to school that day.
- If hiring an instrument, children can take their instruments home between lessons in order to practice.
- We ask for a commitment to the whole academic year, as we have a contract with Inspire.
- For the majority of instruments, children can have a 20 minute shared lesson with another pupil or a 20 minute individual lesson.

Costs:

Inspire Music:

- For music lessons via Inspire Music, the current cost for the 2021-22 school year is £69.23 per term. This is for a 20 minute shared lesson with another pupil. The cost of an individual lesson for 20 minutes is £138.46. There are a minimum of 10 lessons per term. There may be a slight increase in this termly cost for the 2022-23 school year and we are waiting for Inspire to confirm this.
- If you hire a musical instrument from Inspire there is an additional £15.00 to pay each term.
- Invoices are sent out from school at the end of each half term which must be paid promptly to cover the cost for the whole term. These are payable via your sQuid account. For example, an invoice will be sent out just before the October half term which will cover lessons for the whole of the Autumn Term (September to December).
- Lessons and instrument hire are free for children who are eligible for free school meals.

Independent Music Teachers:

- Each of our Independent Music Teachers (guitar, piano and drums) will be able to confirm their costs directly with you. All payments are made directly to the music teacher.

Video from the brass teacher:

Now we have some wonderful children to show what they have learnt from their music tuition:

- Millie playing saxophone
 - Ada playing clarinet
 - Sophie playing flute
 - Leah playing violin
 - Lily playing guitar
 - Jacob playing piano
- Sophie playing saxophone
 - Andrin playing trumpet

What to do next:

There are lots of the music teachers here today to speak to. Please feel free to have a wander around the hall and ask any questions you may have.

An email from school will follow in the next few days with a link to a Form to complete if you would like to register your child for music lessons starting in September 2022.

*Please note this event will finish at 4:30.

*We would normally have instruments for you to try but due to Covid reasons we cannot facilitate this.
