EYFS Pledge

Our Aim is to ensure:

- Every child feels safe, happy and cared for whilst at school.
- Every child is treated as an individual, with support and care tailored to their needs.
- Children build robust relationships with staff and feel free to express their needs, wants and ideas.
- The environment we expose children to is one that will develop their confidence, self esteem, resilience, growth mind-set and self worth with opportunities for all children to be successful in their own way.

Preparing your child for school

- Toileting – can children go to the toilet independently?
- Getting dressed and undressed independently – work on putting on coats, doing buttons, zips etc.
- Encourage children to hold their own belongings and put them away independently.
- Encourage children to do small helpful jobs around the house.
- Talk about school, their class teacher and what they will be doing.

Our Curriculum

Our overarching ethos is to...

- Provide experiences and opportunities to explore and discover.
- Make connections with others and the world around them.
- Make memories that last a lifetime.
- Have fun and laugh a lot.
- Provide opportunities to be creative and express themselves.
- Work collaboratively and independently.
- Enable children to be successful – giving them a time to shine.
