

# Who is up for... A Holiday Challenge?

We have Five Summer Challenges...

## Challenge 1 - Gadgeteers

The Summer Reading Challenge is back in Inspire libraries this summer! This year's challenge has been developed in partnership with The Science Museum Group, the world's leading alliance of science museums. The challenge features the

Gadgeteers – six fictional young innovators who, using creative thinking and teamwork, plan a party for their town's summer fair celebration. Gadgeteers will be a celebration of reading, science and imagination.

## Challenge 2 – Little Red Riding Hood

In the Autumn term the children will be re-telling the story of Little Red Riding Hood as one of their 1<sup>st</sup> pieces of writing for the new year. It would be helpful to look at this story and talk about it with your child over the summer holidays so that they are familiar with the story and feel confident when writing a re-tell of the story. You may want to discuss:

- the key points of the story
- characters
- what the characters say in the story
- the story setting
- vocabulary choices etc.
