Home / School Support

Please support your child by...

- Not letting them panic (and making sure YOU don't panic!).
- Talking to them about their work.
- Ensuring completion of any activities set for home tasks.
- Encouraging them to come to breakfast club.

We will support by...

- Regularly arranging 'rehearsal tests' to familiarise children with the SATs procedures.
- Continuation of a broad and creative curriculum!
- Extra support groups within school time.
- Revision booklets and practice books.
- Lots of opportunity for fun!
- Providing breakfast club

How to help your child during the SATs week

Please ensure your child:

- Goes to bed at an appropriate time
- Has breakfast and a drink each morning
- Arrives at school on time
- Has a water bottle in school
- Is prepared to do their best and is feeling positive
(it helps if they think you feel positive!)
- Should your child be absent due to illness, it is crucial that you contact school ASAP and do not allow your child to meet or communicate with any other children who are taking the SATs tests. We may need you to sign a document stating this.

Thank you for joining us today and for your continued support.

This information will be available on the school website.
Should you have any questions in the future, please contact your child's class teacher on ClassDojo.
