

Welcome to the Reception Newsletter

2nd December 2022

This week has been jam-packed with lots of excitement in the air. Children have really started to enjoy their writing and we are seeing more and more independent writing within the provision.

The EYFS Team

Round Hill Primary School

Book of the Week

This week we have continued with Stick Man and encouraged children to retell the story themselves using pictures and prompts. The children have been amazing us with their use of vocabulary and phrases from the story!

Next Week

Next Week Elvis the Elf will be making an appearance. Let's see what mischief he gets up to!

Literacy

This week we have concentrated on our sentence writing. Using pictures from the story of Stick Man, we have created sentences about what we can see and what Stick Man is up to.

Many of the children have shown off their knowledge of phonics to sound out each word and put it down on paper.

Maths

This week we have been practising everything we have learnt so far relating to number.

We have been counting forwards and backwards, subitising, developing our knowledge of the composition of number and practising our one-to-one correspondence.

Please complete **Week 8** of the maths and bring into school for **Friday 9th December 2022**.

Understanding the World, Expressive Arts and Design and Physical Development

This week has been full of exploring materials and making new things from natural resources. In the story of Stick Man, people turn him into lots of different things - from a bow to a pen.

Children have been using twigs, sticks and other materials found in our crafts area to turn a stick into something new. Many children have chosen to make magic wands and Christmas decorations.
