

# Welcome to the Reception Newsletter

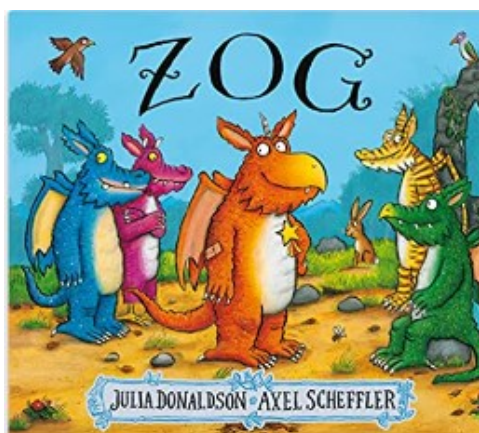

13th January 2023

This week and a half we have been talking about persevering and we have been doing it through the famous story of Zog.

The EYFS Team

Round Hill Primary School

## Book of the Week

This week we are enjoying a firm favourite by Julia Donaldson - Zog.

Using the repetitive nature and rich language we have been retelling the story in our own ways.

## Maths

This week in maths we have focussed on zero and what zero looks like as an amount, at the start of the week.

We have then moved onto looking at different representations of numbers up to 5 and finished the week off looking at one less.

Please complete **Week 1 of Journal 2** which is a new Red Maths No Problem book and bring back on **Friday 20th January 2023**.

## Next Week

Next week is all about Lunar New Year which will officially be celebrated by many from 22nd January 2023.

## Literacy

This week we are retelling the story of Zog and writing a range of sentences from

Zog can...

He can...

or challenging ourselves to retell the story year by year using familiar language from the story.

## Phonics—recap

## Tricky words

## Understanding the World, Expressive Arts and Design and Physical Development

This week we have been talking about things that we want to challenge ourselves to do (just like Zog). Children used this space to share ideas with their friends. We have also been looking at the illustrator of Zog, Axel Schieffler. Children have been following step by step instructions to complete drawings of the characters from Zog.
