

Welcome to the Reception Newsletter

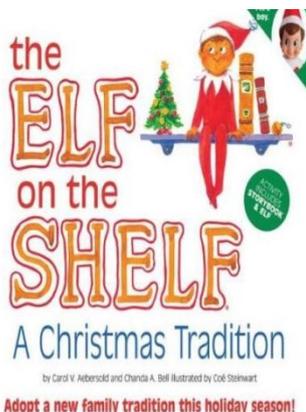

9th December 2022

What an exciting week we have had! Elvis the Elf has made an appearance from the North Pole and is causing trouble in the unit and we are on the final week of Christmas Nativity rehearsals ready for next weeks show.

The EYFS Team

Round Hill Primary School

Book of the Week

This fabulously festive story captures children's imaginations whilst telling the story of the class elf. The book is filled with lovely vocabulary for children to use and encourages rhyming, story telling and imaginative ideas.

Maths

This week we have been looking at 2D shapes.

We have been naming them, comparing them, matching them and turning them to see how they look when rotated in different ways.

Please complete **Week 9** of the Maths into school for **Friday 16th December 2022**

Next Week

Next week we will be focusing on the Christmas story and adding the final touches to our Christmas Nativity.

Literacy

This week is all about what our unit elf, Elvis is getting up to. Children will have many opportunities to talk in groups and partners about what they are seeing Elvis do to them and record this on paper using pictures and words.

We will be encouraging simple sentences using the sentences openers...

He is.... He went... He can

Phonics—recap

Tricky words

I

go

Understanding the World, Expressive Arts and Design and Physical Development

This week we have continued to allow children to explore different ways to join natural resources to make something new. It has been lovely to see the ideas children have come up with.

We have also had a big focus on expressive arts with children working on remembering the words and actions to our many nativity songs along with acting parts and narrator lines.
