

### My weekly weather diary

**WALT:** record the weather over the course of a week using descriptions and symbols.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday (Example)
						<p>This morning was Mostly cloudy, and it felt a little chillier than normal.</p> 
						<p>Afternoon, the clouds have shifted and the sun has made an appearance. It has also warmed up a little.</p> 
						<p>Evening, Clear skies with the temperature dropping, definitely coat weather.</p>

Sunny

Raining

sun/clouds

Cloudy

Thunder
