

Arithmetic – Subtraction

Information:

These questions have been taken from the KS1 Arithmetic test to help your children practise specific question types.

National Curriculum Objectives:

Mathematics Year 1: [Add and subtract one-digit and two-digit numbers to 20, including zero](#)

Mathematics Year 2: [Add and subtract numbers using concrete objects, pictorial representations, and mentally for a two-digit number and ones](#)

Mathematics Year 2: [Add and subtract numbers using concrete objects, pictorial representations, and mentally for two two-digit numbers](#)

Differentiation:

Beginner Subtracting 1-digit and 2-digit numbers from numbers up to 20. Some exchanging. Aimed at Year 1 Secure.

Easy Subtracting 1-digit numbers from 2-digit numbers. No exchanging. Aimed at Year 1 Mastery/Year 2 Emerging.

Tricky Subtracting 2-digit numbers from 2-digit numbers. No exchanging. Aimed at Year 2 Developing.

Expert Subtracting 2-digit numbers from 2-digit numbers. Some exchanging. Aimed at Year 2 Secure.
