'Dream, believe, achieve together'

6<sup>th</sup> October 2020

Dear Parents/Carers

A Midday supervisor tested positive for Covid-19 on Monday night. The member of staff is feeling well, but is currently self-isolating in line with government guidance.

After carrying out our own track and tracing procedures, we have taken advice from the DfE specialist helpline linked directly to Public Health England. I am pleased to let you know that school can carry on as normal and **no other staff or children need to self-isolate**. This is largely due to the precautions we are already taking in school, no children or staff have been in close proximity to the person who has tested positive. It should be remembered that every case is different and will have a different outcome, it is important not to compare this case with any future cases or what is happening in other schools.

We appreciate that hearing this news may cause you some concern, but please do not be alarmed. We have acted wisely and on the advice we have been given. We are confident that the measures we have put in place are reducing the risk to everyone.

Should you have any questions, please do not hesitate to email the school office ([office@roundhill.notts.sch.uk](mailto:office@roundhill.notts.sch.uk)).

### Reporting a Positive Covid-19 Test Result

As previously mentioned, if you or your child have a positive test result, please email the school office to let us know immediately. This email address is monitored over the weekend so please send an e-mail as soon as you receive the result.

In addition, if your child is self-isolating due to a member of your household receiving a positive result, should your child subsequently develop symptoms and also test positive, please e-mail us to let us know.

Thank you all for your continued support.

Yours faithfully

Adrian Nash
