# Expectations and Information

- ▶ To set the example.
- ▶ To have an 'I can' attitude and to embrace new challenges.
- ▶ To develop a higher level of responsibility.
- ▶ To always have the equipment they need, be it a bike and helmet for cycle training, PE kit (see next slide), or just a reading book or pencil case!
- ▶ Children **MUST** bring planners (which are written in!) to school each day. Please ensure you check and sign them each week.

# PE Kit

- ▶ Must be black shorts and white t-shirt
- ▶ Pumps for indoor PE
- ▶ Trainers for outdoor PE
- ▶ Jogging bottoms and jumper/hoodie available for outdoor PE (we still go outside in Winter)
- ▶ This should be in school at all times.

# Homework & planners

- ▶ Homework tasks will be handed out every Wednesday and should be returned to school by the following Monday.
  - ▶ Children encouraged to read at home – every day if possible!
  - ▶ Use of planners – communication, reading record and specific learning tool.
  - ▶ Planners to be collected, checked weekly and signed by parents/carers.
- 

# Residential & Production

- ▶ The Year 6 residential will take place from 15<sup>th</sup>–18<sup>th</sup> October 2019. The trip will be to Beaumanor Hall in Leicestershire.
- ▶ For more information please attend the meeting which will take place in September (TBC)
- ▶ The children will get to experience activities including high ropes, abseiling and canoeing.
- ▶ Year 5 will continue with their learning during this time.
- ▶ Years 5 and 6 will have another trip during the year – tbc.
- ▶ During the Summer term the Year 6 children will also be putting on a production, with the Year 5 children as part of the chorus.

# The Pound Project

- ▶ This is a Year 6 project that enables the children to develop their understanding of finance, budgets and teamwork.
- ▶ Each child is given a pound once they have had their initial money raising plan approved.
- ▶ They are encouraged to 'pool' their money and work together.
- ▶ They will be raising money throughout the year including the Christmas and Summer fairs.
- ▶ At the end of the year all the money will be counted and the children will decide together how they want to spend it. There will also be a choice of charity donation or a legacy to leave behind.
- ▶ This year, the children will be having a superb day at the Tamworth Snowdome. If successful, this will continue next year.
- ▶ Y6 have currently raised £1910 and are still wanting to raise more!

# Cycling Proficiency

- ▶ Levels 1 and 2 will take place for Year 6s in the Autumn term delivered by the Bikeability team.
- ▶ A letter will go out nearer the time with more information.

# SATs...

- ▶ During May, the Year 6 children will be doing standardised national tests.
- ▶ The tests will take place over one week
- ▶ They will be tested on Reading, Maths, Spelling and Grammar.
- ▶ As the year progresses we will be giving you more information about SATs.
- ▶ In preparation for the SATs we will be ensuring that the children have studied all areas of the curriculum that they may be tested on. However, this will NOT be at the expense of more creative or 'fun' topics. Harry Potter, The Greeks, The Maya, Japan and Kensuke's Kingdom have also engaged our pupils this year.
- ▶ Year 5 learning will still continue whilst SATs take place.

# Maths

- ▶ As has happened this year, Maths will be taught in single age year groups.
- ▶ Any Year 6 specific events (such as the pound project and production rehearsals) will happen during these times to ensure Year 5 learning is not disrupted.

# Reward System

Coming soon to Round  
Hill...

**A BRAND NEW  
REWARD SYSTEM!**

little different from

- ▶ Over the course of the year, we may ask for you to support trips or events in school so if you are available we would greatly appreciate it.
- ▶ Also, if you would like to support the school on a more regular basis, we would particularly welcome any assistance with children's reading.
