

Friday 26th February

WALT: To explain our thinking

Every day he tried to clear away the garbage,

sifting and sorting,

burning and burying.

Explain what you think the man is trying to do. Look at the text and the pictures we have read and seen so far.

Write at least two sentences explaining your thoughts.

I think the man is....

because.

EXTENSION:

If you could ask the man a question, what question would you ask?

Post your work on dojo!
