'Dream, believe, achieve together'

2 July 2021

Dear all Parents/Carers,

Covid-19 Update

Further to previous communications this week, we have had 4 separate positive lateral LFTs this week. Today, 2 of those have been confirmed positive by PCR Tests. Those parents have been informed, including information about isolation periods. As I write this letter we are still waiting for the outcome of the other 2 LFTs and plan to be in touch with parents as soon as we have anything further to report. In the meantime those affected already know and need to self-isolate.

It is fair to say that our systems have been thoroughly tried and tested this week and despite the enormous pressure, on the whole, I believe we have managed things well. I would like to thank you all for your patience, understanding and continued kind words of support and encouragement.

I have reported the above information to DfE and PHE and been advised that we are doing all the correct things and following the guidance. Therefore, at present, no further action is required and I will of course keep you informed should things change.

Children who are self-isolating

The staff who are self-isolating are supporting the children with remote learning. You can contact them via ClassDojo. Teams meetings are also being set up so we can share work and carry out social check-ins. We know that children may not understand what is happening and we are more than happy to help where we can, please let us know if there is anything more we can do to help.

Yours faithfully,

Adrian Nash
