

Welcome to Year 5/6
2021/22

Overview...

- * **Meet the Year 5/6 teachers**
- * **Year 5/6 expectations and information**
- * **Homework and planners**
- * **Year 6 Residential and Year 5/6 Production**
- * **Cycling proficiency**
- * **The Pound Project**
- * **SATs**
- * **Reward Systems**
- * **Class Assemblies**

UKS2 Phase Team

Ospreys: Mrs Paterson/Mrs White (Phase Leaders)

Eagles: Mrs Humphries/Mrs Hicks

Kestrels: Miss Barton

Falcons: Mr Khalique

Hawks: Miss J Stephenson

Supported by: Mrs Powell, Mrs Saville and Mrs Franklin

Mrs Paterson

I'm Mrs Paterson, and I will be working with Mrs White in Ospreys.

I enjoy long walks in the countryside with my family and my westie Lola.

I also love reading and my favourite books are Harry Potter!

Mrs White

Hi, I'm Mrs White and I'm teaching Ospreys class with Mrs Paterson.

I love long walks, climbing and playing netball. I'm also learning to knit although it's a slow process!

I enjoy reading and I get lots of good recommendations from my 3 children.

Mrs Humphries

Hi

I'm Mrs Humphries and I teach The Eagles with Mrs Hicks.

I spend a lot of my spare time at football and cricket training sessions/matches with my 3 children, or driving backwards and forwards from gymnastics, dance or drama classes! When I do get a few minutes to myself I love reading. My favourite children's book that we often read in year 5/6 is Holes.

Mrs Hicks

Hello, my name is Mrs Hicks and I'm going to be teaching the Eagles class for one day each week next year. I have taught year five and six for many years and really enjoy working with children of your age. My favourite things to do are crafts like sewing, reading and spending time with my family. I have a little boy called Eddie who is three and he certainly keeps me very busy! I'm really looking forward to meeting and working with you all.

Miss Barton

Hi, my name is Miss Barton and I will be with Kestrels class.

I enjoy travelling, hiking, sewing and cooking. I like reading and my favourite authors are Roald Dahl and Jaqueline Wilson.

Mr Khalique

Hello! My name is Mr Khalique and I am a year 5/6 teacher at Round Hill. I love being a teacher and in my spare time I enjoy running, playing the guitar and cooking. My favourite children's books are the 'Darren Shan' vampire stories. I still love reading them now!

Miss J Stephenson

Hi, I'm Miss Stephenson and I teach the Hawks class. I enjoy being outside, going for walks and being in the garden as well as reading and painting. I'm also a Rainbow and Brownie leader and I know sign language!

Y5/6 Expectations and Information

- * To set the example to the rest of the school.
- * To have an 'I can' attitude and to embrace new challenges.
- * To develop higher levels of responsibility by: remembering PE kits, planners and all equipment needed for class each day/week.

PE Kit

- * Your child needs to come in their PE Kit on their designated PE day.
- * We will let you know on Class Dojo which day this is.
- * PE Kits should be weather appropriate because we will be outside where possible.

Homework & planners

- * Homework and Spellings will be available on the website.
- * Children will be encouraged to read at home – every day if possible!
- * Planners are extremely important and will be needed in class every day!

Residential & Production

- * We hope the Year 6 children will be going on their Residential Trip to Kingswood. These dates will be 11th – 15th October. More information will follow in the Autumn Term.
- * We also hope that the Year 6 production will go ahead in the Summer Term.
- * We are also planning for an additional day trip for all children.

The Pound Project

- * This is a Year 6 project that enables the children to develop their understanding of finance, budgets and teamwork.
- * Each child is given a pound once they have had their initial money raising plan approved.
- * They are encouraged to ‘pool’ their money and work together.
- * They will be raising money throughout the year including the Christmas and Summer fairs.
- * At the end of the year all the money will be counted and the children will decide together how they want to spend it. There will also be a choice of charity donation or a legacy to leave behind.
- * This year, the children had “Round Hill” hoodies purchased.

Cycling Proficiency

- * This will take place for Year 6s, delivered by the Bikeability team.
- * We will let you know when it is going to take place as soon as we can.
- * You will be responsible for ensuring your bike is ready. The summer would be a great time to check this!

SATs...

- * During May, the Year 6 children will be doing SATs.
- * The tests will take place over one week.
- * They will be tested on Reading, Maths, Spelling and Grammar.
- * Year 5 learning will still continue whilst SATs take place.

Maths

- * As has happened this year, Maths will be taught in single age year groups.
- * Any Year 6 specific events (such as the pound project and production rehearsals) will primarily happen during these times to ensure Year 5 learning is not disrupted.

Rewards System

- * Children will be rewarded with one of five vision petals throughout the week.
- * Children will receive a Bronze, Silver or Gold sticker depending on how many petals are earned each week.
- * Children will be congratulated on their achievements in class.
- * Each class also has their own system of rewards.

Class Good Work Assemblies

- * We will keep you informed whether assemblies will be held this year.

The Next Academic Year

We are looking forward to a fantastic and highly successful year and we hope ALL of the children have a year to remember!
