Helping Your Child with Primary Maths

Wednesdays 21/02/2024-20/03/2024

10:00am-12:00pm

Beeston Library

No idea how to support your child with their maths homework?

Have the maths strategies used in school become a mystery?

If so, join our course designed for parents wanting to increase their numeracy skills in order to help their children and help with their own progression.

The course is delivered by our friendly tutors in a relaxed environment with other like-minded learners. You will gain practical ideas and hands-on maths ideas.

This course is for anyone aged 19 years or over without a level 2 qualification in maths (GCSE Grade 4/C) or who isn't confident using maths at this level.
