Whole School Information		
An End of Spring Term Message from Mr Nash	<p>We are all so pleased with the amount of progress the children have made this term. Also, it was wonderful to see you all again at Parents Evening recently. Thank you for your continued support.</p> <p>This term we've been spotlighting all things safeguarding, with lessons and assemblies about the PANTS Rule. We have also been ensuring we look after school and each other by focusing on litter, positive behaviour and school uniform including having the correct PE kit. It certainly has made a difference; it would be helpful if you could chat to your child about these things at home to reinforce the key messages.</p> <p>We have also been focusing on E-Safety (see more details below).</p> <p>The Easter holiday will bring a much needed rest for us all and we hope that you enjoy spending some quality family time together. The summer term is usually the busiest one of all, with so many things to look forward to: Sports Days and Graduation Ceremonies to mention just a few. Keep your eyes on the School Calendar for more details.</p>	
	<p>Thank you to everyone who attended this term's Parents' Forum. We talked about online safety as well as even more sporting opportunities. To find out what was said click here to read the blog on the school website. We agreed to set up several donation boxes in the entrance hall. See more below.</p> <p>If you'd like to get involved, there will be another Parents' Forum in the Summer Term.</p>	
	<p>I wrote to parents in Year 5/6 a couple of weeks ago following several widespread incidents in which children have been abusing social media platforms. Parents of younger children may find it useful to read the letter and view the new and updated pages I have created on the school website. It has an essential guide for parents about children using WhatsApp and also guidance leaflets on TikTok, Snapchat and even the need to know safety on using Smart Watches.</p> <p>There will be a regular item in each Bulletin about an E-Safety issue. This term the Hot Topic is WhatsApp. Are you sure you know exactly who your child is chatting to online? Does your child ever share their location with anyone? If you are not 100% positive, then this leaflet talks about the safeguards parents need to have in place when allowing their children to use this form of Social Media.</p> <p>In conjunction with Simon Plummer, a parent at school who works in e-safety, we will be running an E-Safety Parental Workshop on Thursday 25th April. This event will run twice, once at 3.45 p.m. to 4.45 p.m. and again at 6.00 p.m. to 7.00 p.m. Please click here if you would like to attend and to find out more details.</p>	
	<p>Thank you to everyone for supporting our fund-raising efforts on Red Nose Day 2024 – we raised £435.11. We hope you enjoyed the pictures on ClassDojo.</p>	
Donations	Construction Club	As previously mentioned, we are looking for donations of any preloved construction kits such as Lego, Kinnex etc, that we can recycle in school please. We are looking at setting up an after school Construction Club in the summer term. Donations can be dropped into the school office.
	Stationery	We are looking for donations of stationery to top up the classes' wet playtime resources. If you have any spare stationery that you are willing to donate, both old and new, then please send this into the school office - there will be a box located in the entrance hall.
	Old Sports Kit	If you have any preloved sports kit items that we could recycle within our school community then please let us have them. We are looking for old football boots, shin pads, sports socks, shorts etc...

	School Food Bank / HOPE Charity	We have some food donations in our school food bank if anyone would like to call in to the office to collect some of these. We would love for these to be used within our school community. We will take them to the HOPE Foodbank in Beeston during the Easter Holidays if we have anything remaining.
Morning Club	During the first week back after the Easter break, our morning club sessions will be running as usual. Please can all children arrive for 8.25 a.m. ready to start at 8.30 a.m. You will already know if your child is invited to one of these morning clubs.	
Parenting Workshop – Thursday 18th April 2024	Our local SBAP Team (School Behaviour & Attendance Partnership) has asked us to share details with parents regarding a Parenting Workshop taking place for 6 weeks as of Thursday 18 th April 2024 via TEAMS. You can find more details on the ‘SBAP Parenting Workshop starting April 2024’ flyer on the Community Leaflets section on our school website.	
Music Information Meeting – Wednesday 24th April 2024	We would like to invite parents/carers with a child in Year 3, 4 or 5 to a Music Information Meeting after school on Wednesday 24 th April 2024 from 3.40 p.m. to 4.30 p.m. More details will follow after the Easter holidays, but this will be an opportunity to find out about music lessons in school as of September 2024.	
Equals Trust Update	You may remember I wrote to parents on 19th December 2023 with an update on our conversion to academy status and the formal joining of Equals Trust. The official conversion date depends on collaboration between the Local Authority and the Regional Schools Commissioner. This date has been rescheduled several times due the volume of work at the Local Authority. Whilst we anticipated being part of Equals Trust by now, the latest scheduled date for conversion is 1st August 2024 (previously 1 st May 2024). It is worth remembering that Round Hill has informally been involved with Equals Trust for some time now. We have continued to access their resources and support systems, ensuring access to the most current advice, guidance, and enrichment events for our pupils. The positive impact of this partnership is evident throughout the school and I am even more certain now that this is the correct decision for our school. You may also notice the new sign at the front of school.	
Community Flyers	Please remember to visit the Community Leaflets section of our website. As always, we put any flyers on to this section of the website with events in the community.	
RSE Lessons	As part of our PSHE curriculum, during the final summer term, children across school will be taking part in their usual series of ‘Relationship and Sex Education’ lessons in school. These are the same lessons we have previously taught and nothing has changed. If you want to find out more then click here .	
Easter Holiday	This is our last School Bulletin before we break up for the Easter Holidays tomorrow, Thursday 28 th March. Thank you for your continued support this term. I hope everyone has a good break over Easter. We look forward to seeing everyone back at school on Monday 15 th April 2024.	
RHA Update	<p>Children’s Discos: Thank you for supporting the children’s discos - they were a great success with lots of dancing and smiles from the children. Also a big thank you to all our volunteers including the teachers - this made the discos run very smoothly. I am sure they will be back!</p> <p>More dates for the diary for the coming term.</p> <p>Fun run 14th June This is for all children in school time and the inflatables are booked! I am sure a few volunteers will be needed on the day. We will be in touch with more details nearer the time for fundraising.</p> <p>Summer fair 15th June We will be planning this event at our next few meetings. We will keep you updated with more details soon, but we will be having the usual year 6 stalls and the ice cream van is already booked.</p>	

End of term bash 19th July

This is a very relaxed evening event which all families are welcome to attend to celebrate the end of term. Families usually bring their own picnics and if the weather is kind to us we will be in the playground listening to live music as the band is booked. The ice cream van is also booked again for this year.

Preloved uniform shop

We will be out in the large playground every Friday morning at drop off - when possible. Pop along for anything you need... summer dresses/ shorts will be on the rails after the Easter break.

Uniform labels - we have an account with Stikins if you are looking to order any soon - <https://www.stikins.co.uk/> And our school fundraising number is 17133.

As always you can contact us via emailing rhacommittee@gmail.com Keep in touch with what is planned via [Facebook](#) and [Instagram](#).
