Welcome Back	<p>Welcome back to everyone following the Easter holidays. I hope everyone has had a restful break and has come back ready for an exciting summer term.</p> <p>I would like to take this opportunity to thank all parents/carers for their support during the last half term. As always we had lots of events taking place and thank you to all of our parent volunteers who helped make these happen.</p>
Staffing Update	<p>Miss Hewitt will be leaving us at the end of the summer term - the very lucky school she is moving to is only a few minutes from her house and I know she they will benefit from her vast experience.</p> <p>Having served as our Deputy Head for an impressive 13 years, Miss Hewitt has been an integral part of our school community. Always dedicated, she consistently goes above and beyond to ensure everyone reaches their full potential. We extend our best wishes for her future endeavours, while she assists in facilitating a seamless transition as we seek to fill her role.</p> <p>The vacancy was advertised nationally just before the Easter break and I have been showing candidates around these last two weeks. I am confident, as a successful school, we are able to attract excellent school leaders who can continue our work to make our school the best it can be. Very shortly, the school council will be helping to identify the qualities they want to see in their new Deputy Head Teacher.</p> <p>Whilst it is with mixed emotions that I share this news, I know that parents will want to join me in thanking Miss Hewitt for her significant contributions and also wish her well in her new ventures.</p>
Hot Topic for E-Safety	<p>This Bulletin’s Hot Topic for E-Safety is Setting Boundaries about Gaming.</p> <p>If your child loves video games, then you'll probably be aware how long they spend gaming and what they're actually playing. This can occasionally become a source of concern or conflict. The UK'S trade body for interactive entertainment, Ukie, has recently launched a campaign to promote safer and more responsible gaming among young people - with parents and carers helping by setting sensible and fair boundaries. The guide has tips on key areas where you could agree some healthy ground rules for your child's gaming activity.</p>
Reminder E-Safety (Online Safety)	<p>In conjunction with Simon Plummer, a parent at school who works in e-safety, we will be running an E-Safety Parental Workshop on Thursday 25th April. This event will run twice, once at 3.45 p.m. to 4 .45 p.m. and again at 6.00 p.m. to 7.00 p.m. Please click here if you would like to attend and to find out more details.</p>
Use of Smart Watches	<p>This half term I will be updating our Pupil Mobile Phone Policy and Electronic Equipment Policy to ensure it also includes the wearing of smart watches. In the meantime, for everyone’s safety, pupils should not come to school wearing smart watches. You can click here to see the existing policy.</p>
