14th October 2026

Dear Parents and Carers with a child in Year 5 & 6

Y5/6 Planetarium Show

As part of our Earth and Space learning next half term, our Year 5 and 6 children will have the exciting opportunity to take part in an immersive experience when the WonderDome mobile planetarium visits school on Wednesday 4th November 2026.

During the school day, each class will enter the planetarium for a presenter-led show that will take them on a journey through the wonders of the universe. The experience is closely linked to the science curriculum and is designed to inspire curiosity about space, science and exploration.

You can find out more about it here: [About Us Wonderdome. Planetarium shows.](#)

To help cover the cost of bringing this experience to school, we are asking for a voluntary contribution of £4.80 per child. This can be paid via your Arbor account under 'Trips'. Please note that this is a voluntary contribution and no child will be excluded due to an inability to pay.

Please can you complete the below consent form and make the payment in your Arbor account by Monday 2nd November 2026.

Y5/6 Planetarium show – consent form

We are very much looking forward to giving the children this memorable opportunity to explore the universe and develop their passion for science and discovery.

Thank you for your continued support.

Yours sincerely,
The Year 5/6 Team
