Autumn 2 - Year 5/6 Homework

Grammar, Punctuation and Spelling homework will be set using the CGP books each week. Your child's class teacher will set Maths homework, linked to your child's learning. As we encourage children to become more independent learners, we ask them to check and mark their books at home. The class teacher will check and stamp the completed Maths homework each week.

GRAMMAR, PUNCTUATION AND SPELLING:

Date set Week beginning:	Year 5		Year 6	
	Topic	Pages	Topic	Pages
2/11	Relative pronouns	13	Adjectives	12 - 13
9/11	Determiners	14	Adverbs	14 - 15
16/11	Clauses	15	Sentences and paragraphs	20 - 21
23/11	Basic relative clauses	16-17	Phrases	22-23
30/11	Trickier relative clauses	18-19	Clauses	24 - 25
7/11	Phrases	20	Relative clauses	26-27

MATHS:

Your child's class teacher will send home a Maths worksheet each week, linked to their learning.

READING:

Your child should read regularly, exploring a range of texts and talking about what they have read with an adult.

SPELLING:

We will be starting a new spelling scheme this half term. We will complete spelling pattern work in school. If you would like to practise spellings at home, please use the statutory spelling lists which can be found on the Class Pages of the website.

KIRFS:

Each half term, we will be working on a Key Instant Recall Fact. Although we will work on these in school, we would like your child to practise their chosen KIRF at home over the half term. The Autumn 2 KIRFs are as follows:

YEAR 5: Multiply and divide numbers by 10, 100 and 1000
YEAR 6: Know how to check if a number is divisible by 4 or 12
