<p>A Message from Mr Nash</p>	<p>A warm welcome back, we hope everyone had a lovely half term. We’ve reached the final few weeks before the summer holidays.</p> <p>There’s lots to fit in, so to stay up to date, please make sure to regularly check the school calendar on our website and note all key dates in your diary.</p> <p>Thank you for your continued support!</p>
<p>Reminder INSET Day on Friday 13th June</p>	<p>A reminder that school is closed to children this Friday 13th June for a Staff In-service training day. School reopens on Monday 16th June.</p>
<p>Hot Topic for E-Safety</p>	<p>Hot topic – The focus this summer – YouTube</p> <p>While we’ve seen a decline in incidents of online bullying at school, concerns remain about children accessing inappropriate content on YouTube. Some pupils are encountering disturbing material, including content related to violence, terrorism, and pornography. This can be deeply unsettling and difficult for young minds to process.</p> <p>At Round Hill, we are committed to safeguarding our pupils. We want to be clear: children should not be exposed to this kind of content. We are here to support you in setting boundaries at home, and we want to remind you that the school will take appropriate action if we become aware of underage or unsafe use of online platforms.</p> <p>What Parents Need to Know About YouTube</p> <p>YouTube is the world’s most popular video-sharing platform, with around two billion users each month. It’s also the second most visited website globally. YouTube recommends users be at least 13 years old, anyone can access videos without an account. To create a channel, users must be 18 or older (or 13+ with parental permission).</p> <p>If your child is using the standard version of YouTube, we strongly urge you to reconsider. Exposure to adult content can have serious and lasting effects. Fortunately, there are steps you can take to make their online experience safer.</p> <p>How do I keep my child safe when using You Tube?</p> <p>Here’s everything you need to know.</p>
<p>Storage of packed lunches at School</p>	<p>Following an email sent to all schools from the local authority this week about packed lunch storage, I wanted to share what we’re doing at Round Hill – and how you can support us:</p> <p>What We’re Doing at School:</p> <ul style="list-style-type: none"> • Storing sandwich trollies in the coolest areas of the school. • Keeping them out of direct sunlight throughout the day. <p>What You Can Do at Home:</p> <ul style="list-style-type: none"> • Use an insulated lunch bag for your child’s packed lunch. • Include an ice pack to help keep food fresh and safe until lunchtime. <p>These small steps go a long way in keeping your child’s lunch safe and tasty. Thank you for your continued support!</p>
<p>Staffing Update</p>	<p>Staff News</p> <p>We’re delighted to share some happy news - Mrs Bond and Mr Khaliq are expecting their second child! Please join us in congratulating them. Mrs Bond will remain with us until the October half term before beginning her maternity leave.</p>

	<p>Staff Leaving Round Hill</p> <p>At the end of the summer term, we will be saying goodbye to three valued members of our team:</p> <ul style="list-style-type: none"> - Miss Stephenson will be continuing her work supporting secondary students through mentoring and sign language. - Mrs Paterson is moving on to a new teaching role closer to home. - Ms Smith is hopefully embarking on a new career path supporting children through Virtual Schools. <p>We thank them all for their dedication and contributions to Round Hill and wish them every success in their next chapters.</p> <p>Behind the scenes, we've been working hard to ensure a smooth transition for our children in September 2025. We'll share more details about staffing arrangements in the next Bulletin once everything is finalised.</p>

The role is for 15 hours per week: 8.00 a.m. to 4.00 p.m. on a Monday and 12.00 p.m. to 4.00 p.m. on a Tuesday and Wednesday. Helping Prepare your Child for the next School Year	<p>We have an extensive and well tried and tested transition programme, planned to ensure that the children feel confident and secure about the move to their new class/school next year.</p> <p>If you'd like help to support your child, then please read our advice on this page of the school website.</p> <p>If you don't get time to read the extensive information on the link the key points are:</p> <ul style="list-style-type: none"> • Talk to your child about the upcoming class/school change. • Keep it positive and casual. • Don't share your own worries. • Normalize their feelings and offer reassurance. • Encourage problem-solving and resilience. • Use past successes to boost confidence. • Let them express feelings through drawing or writing. • Clearly explain daily routines and plans.
Transition Events	<p>It is hard to believe that it's almost the end of the academic year and as you would expect, we have been preparing for the children to move on to the next stage in their learning journey for some time now. The staff have been busy completing their end of year Teacher Assessments and writing your child's report, which will be available electronically on Friday 11th July 2025.</p> <p>You may remember we will have a different class structure next year. Click here to reread the letter that explained the details. We believe these changes will have a positive impact on every child's learning journey.</p> <p>There are several transition events planned which will aim to ensure your child is able to complete the current year and then settle well when they return in the autumn term. All of the below dates are on the school website already, but please make a note of these dates in your diary:</p> <p>1) Class Swap Morning: Wednesday 2nd July, 9.00 a.m. to 12.00 p.m. Children will find out which class they will be in for the next school year and will spend the morning with their new teacher and class. All slides referred to during this event will be put on the school website afterwards for any parents who are not able to attend.</p> <p>If you are only attending the event at 4.00 p.m. and/or only attending the event at 4.25 p.m. please enter school through the main entrance.</p>
Arbor – School Meals	<p>If your child is in Years 3-6 and has school meals, please remember to check your account weekly to ensure that there is sufficient money in your account to pay for the school meals. Arbor does not send reminders to you so you do need to check this and top up your account accordingly.</p>

Sun Safety	<p>At Round Hill, we want children and staff to enjoy the sun safely. We work with staff, pupils and parents to achieve this through: EDUCATION, PROTECTION and HYDRATION.</p> <p>We frequently talk about how to be safe in the sun in classes and during assemblies in the summer term.</p> <p>Our Sun Safety page on the school website has a PowerPoint presentation that the classes will be using. You may find it useful to take a look to back up these important key messages.</p> <p>In summary: please apply sun screen in the morning before school, bring a named hat to school, remember to drink plenty of water and take regular breaks from the sun.</p>

The ice cream van will be there and we will be providing refreshments/licensed bar/soft drinks and hot food.</p> <p>We also have the added bonus of our football funday where trainers and a sense of humour is all that is needed! Grown ups can sign up to play in small teams by using the link below and</p>

if your little ones are football mad they can join in with the keepy uppy competition and beat the goalie stall!

If you have any donations for the tombola then pop them into the box in the reception at school. Plus any cake donations on the day would be great, just head to refreshments to drop them off.

As you can tell this is a big event and we do need volunteers, if you could sign up for an hour that would be amazing - just use the same link below to see what you can help with (jobs include taking donations on the door/ selling raffle tickets/ selling refreshments and we do have some football themed stalls you can help with too).
