

Spring Term

EYFS Newsletter

This half term...

This half term will start with a look into how people in our community take part in Ramadan.

From week two onwards we will be blasting off into outer space and learning lots of wonderful facts about what we can find outside of our planet earth.

The Big Question

Week 1: How do people in our community take part in Ramadan?

They do... They see... They go...

Week 2: What is space?

Space is... Space has.. You can see...

Week 3: What planets can you find in space?

You will see... You can find...

Week 4: Why can we live on Earth?

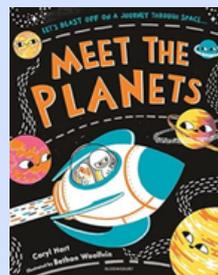

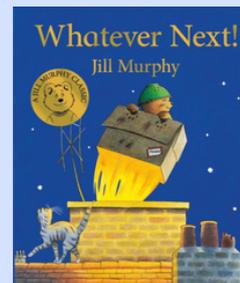

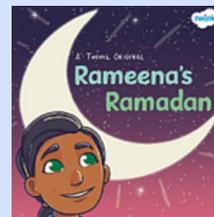

Earth is... On Earth we have... Earth is different because...

Week 5: Who has been to space and how did they get there?

They go in a... _____ have been to space in a _____.
