

SUMMER TERM ONE

EYFS NEWSLETTER

Overview

This half term is called '**Just Keep Diggin!**'

During this half term we will be exploring, sequencing and comparing the lifecycles of plates, chicks, ducks and butterflies. We will be looking at where different fruit and vegetables grow and looking at what food we get from all over the world.

Reminders:

Both, **reading for pleasure books** and **Phonics books** should be in school on a Friday to be changed.

The Big Question

Wk 1: what came first the chicken or the egg?

Wk 2: What can first the duckling or the egg?

WK 3: How does your garden grow?

Wk 4: Where do we get are fruit and veg from?

Wk 5: What food do we get from different countries?

Wk 6: How does a caterpillar become a butterfly?

Book of the Week
