Key Instant Recall Facts

Year 1- Autumn 2

KIRF: Know all numbers bonds within 10

Your child should now look at adding and subtracting numbers between 0 and 10, where the total is not greater than 10. The table below shows the facts they will be expected to know. Remind your child that if they know $6 + 3 = 9$, then they also know $3 + 6 = 9$ (so they only need to know half of these fact!)

+	0	1	2	3	4	5	6	7	8	9	10
0	0+0	0+1	0+2	0+3	0+4	0+5	0+6	0+7	0+8	0+9	0+10
1	1+0	1+1	1+2	1+3	1+4	1+5	1+6	1+7	1+8	1+9	
2	2+0	2+1	2+2	2+3	2+4	2+5	2+6	2+7	2+8		
3	3+0	3+1	3+2	3+3	3+4	3+5	3+6	3+7			
4	4+0	4+1	4+2	4+3	4+4	4+5	4+6				
5	5+0	5+1	5+2	5+3	5+4	5+5					
6	6+0	6+1	6+2	6+3	6+4						
7	7+0	7+1	7+2	7+3							
8	8+0	8+1	8+2								
9	9+0	9+1									
10	10+0										

Help your child with these ideas:

- List pairs of numbers. Jot the opposite and related statements alongside, e.g.
 $7 + 3 = 10$ $3 + 7 = 10$ $10 - 7 = 3$ $10 - 3 = 7$
- Help your child design their own number facts poster and display it in their room or on the fridge.
- Take advantage of real-life contexts such as shopping, laying the table, planting seeds in rows, organising and sharing out toys or snacks, etc. to help you introduce number facts into everyday life.
