## Key Instant Recall Facts

### Year 2- Autumn 1

### KIRF: Know all additions and subtraction facts for all numbers between 0 and 10

Your child should now look at adding and subtracting numbers between 0 and 10, where the total is not greater than 10. The table below shows the facts they will be expected to know. Remind your child that if they know  $6 + 3 = 9$ , then they also know  $3 + 6 = 9$  (so they only need to know half of these fact!)

+	0	1	2	3	4	5	6	7	8	9	10
0	$0+0$	$0+1$	$0+2$	$0+3$	$0+4$	$0+5$	$0+6$	$0+7$	$0+8$	$0+9$	$0+10$
1	$1+0$	$1+1$	$1+2$	$1+3$	$1+4$	$1+5$	$1+6$	$1+7$	$1+8$	$1+9$	
2	$2+0$	$2+1$	$2+2$	$2+3$	$2+4$	$2+5$	$2+6$	$2+7$	$2+8$		
3	$3+0$	$3+1$	$3+2$	$3+3$	$3+4$	$3+5$	$3+6$	$3+7$			
4	$4+0$	$4+1$	$4+2$	$4+3$	$4+4$	$4+5$	$4+6$				
5	$5+0$	$5+1$	$5+2$	$5+3$	$5+4$	$5+5$					
6	$6+0$	$6+1$	$6+2$	$6+3$	$6+4$						
7	$7+0$	$7+1$	$7+2$	$7+3$							
8	$8+0$	$8+1$	$8+2$								
9	$9+0$	$9+1$									
10	$10+0$										

Help your child with these ideas:

- List pairs of numbers. Jot the opposite and related statements alongside, e.g.  
 $7 + 3 = 10$        $3 + 7 = 10$        $10 - 7 = 3$        $10 - 3 = 7$
- Help your child design their own number facts poster and display it in their room or on the fridge.
- Take advantage of real-life contexts such as shopping, laying the table, planting seeds in rows, organising and sharing out toys or snacks, etc. to help you introduce number facts into everyday life.
