

THE LIME TREES

Do you remember what it was like to play in the 90s?

ADVENTURE. FRIENDSHIP. MEMORIES.

Give your child the summer you remember. Since 2013, The Lime Trees has been creating active, social and adventurous holiday experiences for children aged 3-11.

From building survival skills and solving mysteries to creating puppet shows, tackling STEM challenges and taking part in Colour Runs and Summer Festival Days, every session is designed to help children make friends, build confidence and create memories that last long after the holidays are over.
