The KWON Sale raises money for hospital and education projects in Uganda and The Philippines. We host the sale of baby and children's toys, clothes and equipment on behalf of our sellers. We ensure the preloved items are of the highest quality. The money is raised by deducting a percentage from the price of items sold on behalf of registered sellers. We have an amazing team of volunteers, primarily from local churches. Unsold items are either returned to the seller or donated to local charities, such as Trent Compassion, Baby Basics, Midlands Women's Aid and more.

Entrance Costs:
Adults £1, Children 50p
